THE ENCLAVE AT THE GROVE

The Enclave at The Grove is a beautiful, new gated community of luxury residences surrounded by an abundance of scenic parks and greenbelts while still being in a community filled with shopping, dining and entertainment options for you and your family.

“Everyone we have met is extremely nice and we look forward to developing strong relationships with them.”

“There is a wide mixture of families in the neighborhood, which is something which we definitely desired. There are families with young children, older children, and some empty nesters.”

The Glen Town Center is perfect for a day of shopping with friends. The center includes a movie theater, restaurants, and other popular retailers. If you enjoy a relaxing round of golf, you will fully appreciate the Glen Club, the 18-hole course designed by Tom Fazio, who Golf Digest called one of the top ten golf architects of all time.

Have out of town guests coming in to visit? Not to worry. Downtown Chicago is just 20 miles away, the Tri-State Expressway is nearby, and O’Hare International Airport is only eight miles from the community.

Of course there’s also The Grove, a 145-acre preserve featuring historic residences, a greenhouse, and nature center. Take a walk with the kids, or grandkids or just enjoy the peace and quiet of this gem right in your backyard.

It’s the perfect place for your new home.
